Dear Giving Committee and Rotary Club of Greater Bend,

On behalf of the Board and Staff of Healing Reins, I want to thank you all for your support of our ADA ramp project. Last week we received your check in the amount of \$1,500.00 which is a fantastic boost! We have received the remainder funds necessary to both build the ADA ramp for the new modular which houses two offices and our classroom as well as to repair our aging ADA ramp to the old modular which houses our physical therapy room and my office. So, as soon as the weather permits, we will begin!

Because of compassionate donors and groups like the Rotary Club of Greater Bend, we are able to meet the individual special needs of approximately 16-180 people each week, touching the lives of more than 1,000 families each year. In 2016 alone, the small Healing Reins staff and a large corps of trained community volunteers was able to provide 5,406 program service hours!

Healing Reins continues to be **the only** professionally accredited organization east of the Cascades in Oregon offering equine-assisted activities and therapies to children, teens and adults in our community. While Healing Reins was founded to serve physically and cognitively disabled children, our programs have grown over the years to also address growing demand for preventative health and education services that help low-income, "at-risk" individuals of all ages to thrive.

Thank you for your service to our community, for recognizing the need for Healing Reins' programs and for partnering with us to change lives! Your donation means more than you know.

With gratitude,

Dita Keith
