As you know, our mission, "to heal with horses", means improving the wellness of Central Oregonians through nationally accredited, affordable, horse-centered therapies. At Healing Reins, 16 program horses partner with 8 full and part-time instructors and 160 volunteers recording 11,000+ annual volunteer hours in 45 weekly classes. We serve both individuals and large groups consistently throughout each year through our core programs and impact the lives of more than 1,400 Central Oregon families annually.

Healing Reins continues to be **the only** professionally accredited organization east of the Cascades in Oregon offering equine-assisted activities and therapies to children, teens, and adults (ages 4-94) in our community. Lessons learned in the arena translate to home, school and work for overall improved quality of life, not just for participants but for whole families!

Thank you for believing in our good work and for partnering with us "to heal with horses".

Most sincerely,

Dita Keith
