The Greater Bend Rotary Club Foundation "Bill Berg"

In addition to the Rotary International Foundation which supports global and district grants and projects, we have our own club Foundation. The "Bill Berg" Foundation supports scholarships, youth activities, our club's world community service committee and signature projects.

The Rotary Club of Greater Bend Foundation is seeking to grow our endowment to produce an annual cash stream by focusing on annual pledges and contributions to the endowment. Each member who contributes \$1000 will be recognized as a "Bill Berg Fellow". We also seek and accept larger gifts/matching and support tax/estate planning. Donations are tax deductible.

Please make your pledge below to help with scholarships for local students and programs. Forms can also be faxed to Kyle Frick at (541) 389-0103 or attached to an email and sent to kyle@midoregon.com.
